

ADDENDUM TO NATIONAL FIRST AID CONTEST 2005

FIRST AID BOOK 1988 REFERENCES

Page 109: Lower Part of Abdomen, Lower Back, or Buttocks
To dress a wound of the lower part of the abdomen, the lower part of the back or the buttocks:

- ~~Place a sterile gauze over the wound.~~ Place the pad of a bandage compress over the wound and tie in place (A of Figure 7-20).

Page 109: Groin

To dress a wound of the groin:

- ~~Apply the pad of a bandage compress over the wound.~~ Apply sterile gauze over the wound.

Page 117: Extensive Wounds and Bleeding of Foot and/or Toes
NOTE: the fifth bullet in this dressing/cover bandage states:

- ~~Bring the apex down over the knot and tuck in under the knot (Figure 7-28).~~

Figure 7-28 conflicts with this bullet and is wrong. Apply bandage as instructed in the bullet.

Page 150: Collarbone

Figure 9-17 has been corrected below to show the proper application of the sling:
